

## Castrol GTX High Mileage 5W-40

Superior sludge protection for greater engine reliability

### Description

Castrol GTX is one of the world's most trusted motor oils.

It's more than just oil. It's liquid engineering that protects against problems, like sludge, that your engine faces every day. Severe driving conditions such as every day stop-and-go/stop-start traffic, harsh weather conditions and extended drain intervals, can all cause the build-up of a thick, tar-like substance called sludge.

You can't see this sludge build-up but it can damage your engine's performance and cause premature engine failure.

Protect your car from harmful sludge build-up with Castrol GTX.

### Application

Castrol GTX High Mileage 5W-40 is suitable for use in automotive gasoline and diesel engines where the manufacturer recommends an ACEA A3/B4, A3/B3, API SM/CF or earlier specification 5W-40 lubricant.

Castrol GTX High Mileage 5W-40 is approved for use in engines from leading manufacturers, please refer to the specifications section and your owners handbook.

### Advantages

Castrol GTX High Mileage 5W-40

- Contains anti-sludge formula that provides 25% better sludge protection compared to tough industry standards\*
- Superior protection against viscosity and thermal breakdown
- Anti-wear additives that extend the life of your engine

\* vs API SM/ACEA A3/B4 Sequence VG Industry Standards
