

Be Part of a New Beginning!

For future global development and to expand market share in North America, the ELF automotive brand will be transitioning to the TOTAL brand. You'll still have the same high quality synthetic formulations you've been accustomed to, but now with a new name. Our brand focus remains on quality, environmentally-friendly lubricants and better fuel economy for your customers. We'll do our best to help you during this transition.

TOTAL is 4th largest petroleum company in the world, and is a leader in synthetic lubricant research and technology.

You know where to turn **TOTAL**

A Change for the Better!

The TOTAL Line for a New Beginning!

- Consolidated product line
- Complete OEM and ACEA approvals for low SAPS technology
- Increased marketing – more brand awareness, more advertising, more promotional items, more trade shows
- New products and services to support your business
- Enhanced web site with hyperlinks to Distributor and Dealer websites

ELF PRODUCT	CONTAINER	OLD PART NUMBER	NEW TOTAL TECHNICAL PROFILE	TOTAL PRODUCT	CONTAINER	NEW PART NUMBER
Solaris LSX 5W30	205L (drum)	802005	ACEA C3, A3/B4 • API SM/CF Approved for: BMW Long Life 04 • MB-Approval 229.31/229.51 • VW 502.00/505.00/505.01 • Low SAPS lubricant specially formulated for BMW and Mercedes-Benz vehicles • Fully meets the new environmental standards and optimizes the DPF (diesel particulate filter)	Quartz INEO MC3 5W30	208L (drum)	802237
Solaris LSX 5W30	3B5L	802106		Quartz INEO MC3 5W30	3B5L	802306
Solaris LSX 5W30	18B1L	802006		Quartz INEO MC3 5W30	18B1L	802236
Solaris LLX 5W30	205L (drum)	801992	ACEA A3/B4 Approved for: VW 504.00/507.00 • Porsche • Bentley (503.01) • Low SAPS lubricant formulated for Volkswagen vehicles • Fully meets the new environmental standards and optimizes the DPF (diesel particulate filter)	Quartz INEO 504-507 5W30	208L (drum)	802234
Solaris LLX 5W30	18B1L	801975		Quartz INEO 504-507 5W30	18B1L	802233
Excellium Full Tech 0W30	205L (drum)	802000	ACEA A3/B4 • API SL/CF Approved for: BMW Long Life 01 • MB-Approval 229.5 • VW 502.00/505.00 • GM LL-A025/B025 • 100% synthetic oil • Approved by major European car manufacturers • Easier starting in extreme cold weather • Reduces polluting emissions and fuel consumption	Quartz Energy 9000 0W30	208L (drum)	802214
Excellium Full Tech 0W30	60L (keg)	802003		Quartz Energy 9000 0W30	60L (keg)	802215
